Rappahannock Big Brothers Big Sisters (RBBBS) has been providing one on one mentoring services to the most at risk children in the Planning District 16 for the past 42 years. RBBBS serves more than 400 children per year, the majority of whom are minorities.

The mission of RBBBS is to make a positive, measureable difference on the lives of the most at risk children by promoting self esteem, character development, and expanding awareness of life's opportunities. We also provide education, guidance, and support through professionally supported one on one mentoring relationships.
