

The greater Fredericksburg leadership council was created to give volunteer members the opportunity to identify and address the cancer challenges in their community. The focus is on education, prevention, and community resources like the American Cancer Society's free patient programs. In order to effectively meet the needs of the community we would like to extend an invitation to those interested to come join us in this endeavor.

Currently we are meeting every two months at Mary Washington Hospital from 7:00 – 8:00 pm. If you are interested and have some questions, please contact either Ursula Oesterwinter, Chairman, at 540-663-2555 or Carolyn Foster, ACS staff partner, at 804-527-3778.
